## Alumni Weekend 2017

Anticipation was in the air the weekend of October 6 & 7 as the campus filled with alumni, friends, former staff, parents, and guests. From the east coast to the west coast, from north to south and places in between, alumni arrived to reunite with classmates and friends. Sounds of laughter and conversation were heard all over campus. Some had not been back since their graduation.

Friday evening vespers was presented by the class of 2008 with Charlotte Messer providing the devotional thought. Sabbath School was organized by the class of 2003 with our own DAA students presenting the lesson study. The class of 1978 planned the Worship Service with Terry Johnson as the worship speaker. Four members of the class of 1978 – Terry Johnson, Ted Glaser, Kimber Boyko, and Tim Choban accompanied by Arlo Heinrich '76 blessed the congregation with three musical numbers Sabbath afternoon. They had all been part of a musical group “Completion” in college. Jodi Gottfried Dossenko '97 and Arlo Heinrich also provided three numbers. The DAA showcase followed featuring our students performing in band, choir, bells and DAK. The class of 1998 closed the Sabbath hours with vespers.

Dr. Terry Johnson

L-R: Kimber Boyko, Ted Glaser III, Arlo Heinrich (piano), Tim Choban, Terry Johnson practice for Sabbath

As I wandered the halls and stopped to visit with alumni, I overheard many comments on the weekend. “I haven’t been back to alumni for over 30 years, I’m so glad I came”, “What a wonderful weekend”, and “The programs have been so spiritually uplifting”, were just a few I heard.

Videos from the weekend are posted at [www.youtube.com](http://www.youtube.com). Search for DAA Alumni Weekend 2017.

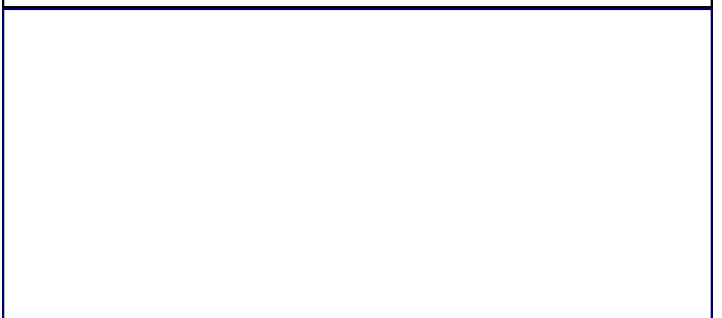

Our halls are now quieter and our students are leaving for the October home leave. Alumni reunions are just a sample of what we can look forward to when we get to our heavenly home. The difference will be never having to part again. What a glorious reunion to look forward to!

## A Message From Your Alumni President

Dear Alumni and Friends,

What a wonderful time we all shared this last alumni weekend. I am always so impressed with the talent we have had pass through the halls of our academies. The singing Sabbath afternoon was excellent, especially the group of gentlemen from the class of 1978. The speakers for vespers and church spoke from the heart and I truly hope everyone was as blessed as I was.

I would like to thank the class organizers for doing such a great job contacting their classmates and planning the programs. The students and staff had the school looking great and a warm welcome for the alumni. Alumni weekend is possible because of the effort of many people coming together and working towards a common goal. Thank you all for that effort! I hope to see even more of you at the next alumni weekend so let's start planning now to make it to DAA next October.

Ben Dossenko '97  
Alumni President

## Principal's Message

Are you playing the game, or are you just “on the team”?

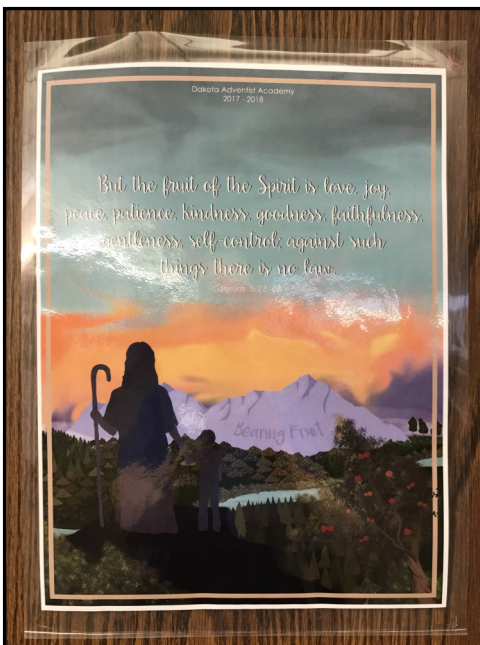

What does it mean to be on a team? In many cases, there are quite a number of people who make the team who never get to play. I took students to a flag football tournament at one of our sister schools and the hype was unbelievable. Students swaggered around with their letterman jackets identifying the sport and school which they were a part of. I wondered how so many could play on one team. Then the games started, and I saw how that worked. One person kicked the ball. Then he left the field. Other players came in for one play at a time, reentering periodically throughout the game. A handful of players never got onto the field at all, even towards the end, after the game's outcome had been decided. One or two played every minute of offense or defense, and I could see the awe and esteem with which those few were held in the eyes of their peers. But all of them – practice roster or game players – all of them were fiercely proud of “their team.”

I looked over at my bedraggled unit of 7 guys. Each one was an integral part of the game. They all played most of the time. Each one had a position, and each one begged the one on the sidelines to replace him at some point. At the end of the tournament, they had nothing left. Spent. Exhausted. They, too, were happy to be part of the team.

Sometimes, going to a smaller school or a smaller church has some disadvantages. The team won't always be a winning team, but you will always get on the field. Your presence and performance is critical. You are missed when you do not show. For my money, I'd rather play the game. I've yet to see a player get better from merely standing on the sidelines or sitting on the bench. True, they sometimes learn to coach better by watching, but putting the game into play is a different story.

If I could issue one challenge to every one of our DAA students, it would be this. Don't be satisfied simply to be on a team. Instead, do what you have to do to get into the game – in sports, in class, at home, in your church. I ask again, what does it mean to you to be on the team?

For all others who are reading this – you, too, need to be more than just a team member... get in the game. Come out and support the functions. Pray for the students. Support your local churches in supporting the school. Most importantly, if there are students in your congregation who need to be here – do your part to make that happen. Education is not a me thing or you thing... It is us. And frankly, I am already pretty impressed with the players on this team.

## 2017-2018 Spiritual Themes

### School Theme — Fruits of the Spirit

“But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law.  
Galatians 5:22-23 (ESV)

### Staff Theme Verses

“Summing it all up, friends, I'd say you'll do best by filling your minds and meditating on things true, noble, reputable, authentic, compelling, gracious—the best, not the worst; the beautiful, not the ugly; things to praise, not things to curse.” Philippians 4:8 (Message)

“Your love for one another will prove to the world that you are my disciples.”  
John 13:35 (NLT)

## DAA Experiencing a Great Year

School officially started August 13, with 39 students enrolling for this year. Excited conversation, laughter, renewing friendships and beginning new friendships was the order of the day. After two days of classes, most of the students headed to Northern Lights Camp for Camp Week.

Student Association officers and sponsors headed up to NLC ahead of the students to prepare for the rest of the group and to spend time developing leadership skills with Pastor Kris deBruin from the Bowdon District.

If anything can set the tone for a great school year, it was Camp Week: a time full of fun, learning new skills, getting to know the staff and other students, community service time, spending time with God, and enjoying the beautiful camp. Pastor Kris led out in the morning and evening worships focusing on the beatitudes in Matthew 5. When asked what her favorite part of camp week was, Shelby replied, *“the worship talk; I was able to connect with what Pastor Kris was saying.”* Falcon’s favorite was meeting new people and making new friends. Jadyn responded, *“Capture the Flag, especially when Karissa and I were hiding and the guys walked right by us without seeing us.”*

Memories, friendships, and connecting with God is what DAA is all about. Today our enrollment stands at 41. We seek your prayers as we continue the school year.

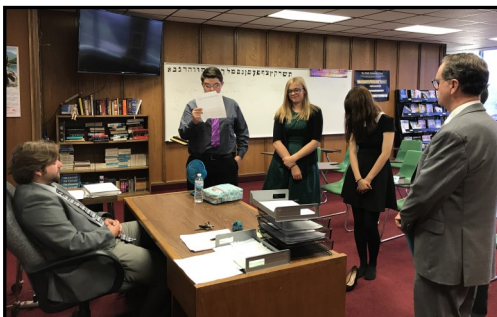

## Students Share Their Talents

Two special weekends at the beginning of the school year have been special meaning as students and staff joined together to first dedicate DAA to God, and then to visit eight churches across the Dakota Conference and share their talents during the worship services.

Sabbath, August 26, was set aside to ask God to guide and lead our students, teachers, and staff as we began the school year. Students separated into groups and visited all the departments of DAA where they read texts from the Bible and had special prayer for the department and the staff. Everyone came back together in the chapel where Gary Way asked for God’s blessing on the school.

The following Sabbath, September 2, found students and staff heading out to visit and worship in eight churches around the Conference. Students participated in the Worship service through special music, scripture reading, children’s story, and the offering call for Secondary Education Endowment. Several of our staff presented sermons.

Both of these special Sabbaths emphasized our school theme for the year – Fruits of the Spirit. Based on Galatians 5:22-23, our students are exhibiting love, joy, faithfulness, and kindness. DAA students and staff not only want to bear fruits of the spirit, but also desire to show the world that they are disciples of Jesus.

→ Jonathan Justino shares a children’s story at Minot

## Community Service

Laughter and hard work don't always go hand in hand. However, with our students it does. It doesn't matter what the task is, they will always find a way to enjoy what they do as they give back to our community, our school and our camps.

Monday, September 4 was Labor Day and that is exactly what our students and staff did at Northern Lights Camp. Plans had been underway for several months to replace the old cafeteria. Before the new cafeteria could be started the old one needed to be demolished. The old boathouse down by the beach also needed to be torn down.

After breakfast the students, staff and several of the conference employees went to work. Shingles needed to be removed from the roof of the cafeteria in preparation for the demolition crew to come in and tear down the building. Other tasks in the cafeteria included packing up supplies and dishes, moving the freezer, washer and dryer to another location. Brick edging the area above the serving deck was also removed. Meanwhile down at the beach the old boathouse was being torn down and over in the new chalet the cabinets were being installed. By three o'clock the work was finished. Students had accumulated 160 hours of community service credit while the staff had worked a total of 70 hours.

A sense of satisfaction in a job well done was felt by students and staff. Thank you to everyone who participated in this project. We all look forward to seeing the new cafeteria when it is completed.

## Construction Program

Angles and fractions can seem like a mind blowing math assignment to some students, but put a saw in their hand and a blueprint in front of them, suddenly it makes practical sense. Join that with a vision of something they can be a part of making and you get the tiny house project.

The students participating in the construction program at Dakota Adventist Academy are excited to be doing just that. Offering three years of construction classes has DAA students involved with and learning the whole process of constructing a home. It gives them practical knowledge and skills, a deep sense of satisfaction and pride in a job well done. DAA is excited to have joined Bismarck/Mandan Home Builder's Association. Our students look forward to sharing their finished tiny house on the Parade of Homes in April.

DAA has dedicated its Tuesday social media posts to #TinyHouseTuesday to keep progress on the tiny house at the forefront of people's minds. Any students looking into the Construction trade would benefit from attending DAA's Construction program. Come check it out for yourself, see what we are so excited about. Follow us on social media –

- Facebook – Dakota Adventist Academy
- Instagram – dakotaadventistacademy
- Twitter – DakotaAdvAc
- Youtube – DAAEducation

Our prayer is that we can grow this program and provide high school students with solid knowledge of the construction trade, resulting in an ethical, quality driven work force to build our future.

## National Honor Society Induction

The National Honor Society (NHS) is the nation's premier organization established to recognize outstanding high school students. More than just an honor roll, NHS serves to honor those students who have demonstrated excellence in the areas of scholarship with a GPA of 3.5 or higher, leadership, service, and character. These characteristics have been associated with membership in the organization since its beginning in 1921.

Today, it is estimated that more than one million students participate in NHS activities. NHS chapters are found in all 50 states, the District of Columbia, Puerto Rico, many U.S. territories, and Canada. Chapter membership not only recognizes students for their accomplishments, but challenges them to develop further through active involvement in school activities and community service.

A special vespers was held on Sabbath evening, October 28, to recognize and induct Jaelyn Pickett, Savannah Ulery, and Sierra Schlenker, who are all sophomores, into the Dakota Adventist Academy chapter of NHS. Each one of these students exemplifies the pledge of NHS, which is to maintain high scholastic standing, to hold as fundamental and worthy an untarnished character, to endeavor intelligently and courageously to be a leader, and to give themselves freely in service to others.

Ms. Pam Castillo-sponsor, Jaelyn Pickett-Spiritual Vice President, Savannah Ulery-Secretary Treasurer, Jayden Anderson, Erica Chapman-President, Sierra Schlenker, Leticia Venegas, Mr. Gary Way-sponsor

## Matching \$\$'s Allocated for Dorm Renovation Project

Hundreds of students have passed through these halls and lived in the dorm rooms since the school opened in 1977.

Our students spend many hours in their dorm rooms throughout the school year. It is their home away from home. Here they study, sleep, relax, and spend personal time in worship. Dorm rooms are also used during alumni weekends, camp meetings, and other special events.

Currently we have completed renovation on one wing in each dorm. Additionally, new windows have already been installed in two of the remaining four wings.

We appreciate all the donations received to date that have allowed us to accomplish as much as we have.

**We are excited to announce that we have matching funds to put towards dorm renovation. For every dollar received, it will be equally matched up to \$15,000.** While cost of materials and labor have increased, we are still committed to continue renovating the rooms as funds allow.

Please keep this project in mind as you continue to financially support DAA and our students.

Sharon Heinrich  
Development Director

### Alumni Updates

#### Sheyenne River Academy 1940's

**Maxine Scofield '43** I am not able to attend alumni weekend this year, however, I have many fond memories of SRA. It was there I met Jesus and was baptized. My husband, Paul Scofield, also went to SRA. He taught school and pastored for 36 years. He passed to his rest in 2005. I want to say thank you for all SRA did for me. Without them I would have been a lost person. I am now 92 and walk 4 miles a day. God has been good.

**Robert Weisz '43** I am 92 and still living on my farm. I've been here for 85 years. My son is farming and with his sons there are four generations. I have four grandsons, two granddaughters, four great grandsons, and two great granddaughters. I have been widowed for 10 years.

#### 1950's

**Arlie Fandrich '59** After 44 years of teaching I retired in 2007. I'm currently doing substitute teaching in the Lincoln, NE public and Christian high schools. I still enjoy working with the youth, it keeps me young at heart. In addition I do private tutoring in Math.

I have many wonderful memories working with the students through the years and still keep in touch with many through social media. My teaching experience included 21 years in Academies (Cedar Lake/Great Lakes, Maplewood, and College View). The last 23 years leading up to 2007 were at Union College. I feel blessed to have had the privilege of working with so many young people and their parents. It has been interesting going back to alumni weekends and seeing the 40 and 50 year alumni I had the privilege of teaching and remembering the old times when we were all young.

## Endowments

Endowment gifts are a major contribution to the school's future stability. These gifts, held at the Dakota Conference office, are permanent funds that provide lasting financial resources to DAA and its programs. Invested in interest-earning accounts, the income is used annually for the designated purpose of the endowment. They are a gift that "keeps on giving," a "lasting legacy." Dakota Conference currently holds three endowments and a Board-designated endowment which benefit DAA. Each year a portion of the earnings are sent to DAA to help with operating costs or scholarships.

Once a year a special "**secondary education endowment offering**" is taken during the third quarter of the year. Those offerings are sent on to the Conference and added to the current established endowments.

You may also want to consider contributing to the endowments through your estate plan. Your attorney, financial advisor, or the Trust Department at the Dakota Conference or your local Conference can assist you with this gift.

Endowments provide steady financial support from generation to generation. Thank you for prayerfully considering your financial support to DAA and our youth.

Contact the Development Office at (701) 751-6177 ext 212 for further information on any of these programs.

## Giving to DAA

Many who give to DAA experience the satisfaction of knowing their gift makes a real difference in the life of a young person. You help "Build Friendships for Eternity."

### Annual Fund

**Goal: \$275,000/yr**

Gifts to the Annual Fund are unrestricted donations that are valuable to the operation of the school. They contribute to the stability and security of the school program and are applied where the need is greatest.

### Worthy Student Fund

**Goal: \$125,000/yr**

These gifts go to work immediately in assisting students with financial needs. During the 2015-2016 school year approximately half of our students received assistance from this fund. Support is needed annually, especially in these financially difficult times.

### Dorm Renovation

**Goal: \$80,000/yr**

Our students spend many hours in their dorm rooms throughout the school year. It is their home away from home. Here they study, sleep, relax, and spend personal time in worship. In addition, the dorms are used during alumni weekends, camp meetings, and other special events. \$80,000 will renovate one wing. *One wing in each dorm is completed and in use by our students.*

### Gifts-in-kind

Gifts of a non-monetary nature will benefit the school. They enrich programs and capital improvement. Examples could include furniture, landscape materials, library books, or musical instruments.

### Special Funds

Donors may give to a variety of programs including music, mission trips, art, basketball, or special projects. These also enrich the quality of the programs offered to our students.

### Gifts of Time & Talent

Do you have time or expertise in an area that might benefit DAA? Contact us to see what projects we may need assistance with and how we might work together.

### Planned Gifts

You can choose to benefit DAA through your estate plan. As you determine how your estate will be handled after your death, you can plan to give a portion to DAA. These gifts have tax implications and are often transmitted through a legal document such as a Will or Trust. We encourage you to consult with your CPA or your attorney as you consider this type of gift.

### Memorial Gifts

Gifts may also be made in memory of a loved one or a classmate.

### Non-cash gifts

Donations of shares of stock, land, and crops are just a few ideas for non-cash donations.

Your gifts will help us serve this generation and beyond. Working together we can help our youth build friendships for eternity and a home in heaven.

*"The greatest use of life is to spend it on something that will outlast it." William James*

### **Donation Report for year ending June 30, 2017**

Annual Fund	\$221,989
Worthy Student Fund	\$133,283
Dorm Renovation	\$ 9,476
Unrestricted	\$ 38,104

29-May 1 Skills USA

## *Leave a Legacy*

Annual gifts play a vital part in the operation of our academy. Vital, too, are those gifts that are left in the form of a legacy through your estate plans. Please consider adding Dakota Adventist Academy as a beneficiary in your estate plan. We thank you, and our students and future students thank you as well.
