Field of Dreams Neil Biloff, alumni president

In the 1989 film called *Field of Dreams*, actor Kevin Costner starred as a young farmer who built a baseball diamond in his cornfield to attract the baseball legends of the past. He believed that if he built it, they would come back to life and play the game. Theologically the movie was a total bust. People don't come back from the dead to play baseball, but in the middle of such poor Biblical hermeneutics there were some interesting truths. The past does affect the future. The early pioneers of baseball did make the current game possible. The hard work and dedication of the past carves out a place in history for the game of today.

On October 7, 2023, the past, present, and future came together on Alumni Weekend at Dakota Adventist Academy; maybe not in a cornfield, but definitely in a pasture, to support its own "field of dreams." The past is represented in the pictures and histories that line the walls. One cannot walk the halls of DAA without feeling the commitment, dedication, and passion of days gone by pouring from the many class photos. The dreams of the living were realized by those who came back Alumni Weekend to celebrate with friends and classmates, remembering what Adventist Education meant, and continues to mean, to them. And yes, today's students attending DAA, who because of alumni weekend, more fully understand the sacrifices of the past made on their behalf; sacrifices by people who whole heartedly believe in Christ's mission to the world.

The old saying, "We have nothing to fear for the future unless we forget the way the Lord has led us in the past," applies at DAA. His teachings in our past history could not be more applicable.

Please continue to support Dakota Adventist Academy through your prayers, spiritual gifts, and financial donations. May the "field of dreams" at Dakota Adventist Academy continue until Jesus comes.

Giving to Dakota Adventist Academy

Many who give to DAA, experience the satisfaction of knowing their gift makes a real difference in the life of a young person. You help in "Building Friendships for Eternity." Your gifts will help us serve this generation and beyond. Working together, we can help our youth build friendships for eternity and a home in Heaven.

Annual Fund Goal

\$275,000 / year

Gifts to the Annual Fund are unrestricted donations that are valuable to the operation of the school. They contribute to the stability and security of the school program and are applied where the need is greatest.

Worthy Student Fund Goal

\$125,000 / year

These gifts go to work immediately in assisting students with financial needs. Approximately half of our students currently receive assistance from this fund. Support is needed annually, especially in these financially difficult times.

Dorm Renovation Goal

\$80,000 / year

Our students spend many hours in their dorm rooms throughout the school year. It is their home away from home. Here they study, sleep, relax, and spend personal time in worship. In addition, the dorms are used during Alumni Weekend, Campmeeting, and other special events.

Non-cash Gifts

Donations of shares of stock, land, and crops are just a few ideas for non-cash donations.

Ways to Give

As you consider what type of gift to give, we encourage you to consult your CPA or attorney. You may also want to speak with Conference or DAA administration to understand the areas of need. Undesignated gifts that are received through estates are unrestricted, and their use will be determined by the K-12 Board of Education.

Anyone wishing to make a donation to a scholarship fund should make their check out to Dakota Conference Corporation, mark it for the scholarship of their choice and mail it to Dakota Conference of Seventh-day Adventists, 7200 N. Washington St., Bismarck, ND 58503-6301.

Apply for a Scholarship

Call Lynette Miller at the Dakota Conference office: 701.751.6177.

Legacy Gifts

Gifts left in the form of a legacy through your estate plans play a vital part in the operation of DAA. As you determine how your estate will be handled after your death, you can plan to give a portion to DAA. These gifts have tax implications and are often transmitted through a legal document such as a Will or Trust.

Gifts-in-Kind

Gifts of a non-monetary nature will benefit the school. They enrich programs and capital improvement. Examples could include furniture, landscape materials, library books, or musical instruments.

Special Funds

Donors may give to a variety of programs including music, mission trips, art, basketball, or special projects. These enrich the quality of the programs offered to our students.

Gifts of Time & Talent

Do you have time or expertise in an area that might benefit DAA? Contact us to see what projects need assistance and how we might work together.

Memorial Gifts

Gifts may be made in memory of a loved one or a classmate.

Endowment Gifts

These gifts are a major contribution to the school's future stability and are often considered a legacy gift. These gifts, held by the Dakota Conference Corporation, include permanent funds that provide lasting financial resources to DAA and its programs. Invested in interest-earning accounts, the income is used annually for the designated purpose of the endowment.

Kungel Family Endowment Fund

Established by Lenhardt & Darlene Kungel, this fund will provide two Dakota students a \$1,500 annual scholarship.

PVA-Ron Purkapile Student Scholarship Fund

The purpose of this scholarship is to provide South Dakota students with supplemental funds to attend DAA. Recipients will need to meet scholarship requirements. Students will be selected on a yearly basis by the scholarship committee.
